This pet is meant to be a gift. I am answering the following questions from the perspective of the lucky recipient.

We welcome adopters who rent, or live in an apartment or condo. However, we want to inform you that some landlords and management companies have size and breed restrictions, limits on number of pets, and/or require pet deposits or additional fees. Please verify with your landlord that the animal you want to adopt will be allowed in your living space.

Tell us about members of the new pet's household (e.g. Number of adults/seniors/young children). Please list the ages of any children:

What role will this pet play in your family? (e.g. Companion, play mate, guard dog, cuddle partner, mouser, etc.)?

Tell us about pets at home (check all that apply):

- We have one or more dog(s)
- We have one or more small animal(s)
- We have one or more cat(s)
- I'd like help with introducing a new pet to pet(s) at home
