Vendor/Exhibitor Booth Application

The Humane Society Calumet Area is hosting the 17th annual "Paws in the Park" on June 20, 2009 at Wicker Park in Highland, IN. We would love for you to be a vendor or demonstrator for the event! This is your opportunity to make a difference in the lives of the many homeless animals in our community.

The Humane Society Calumet Area is a no-kill animal shelter. We promote spaying and neutering along with humane treatment through both education and example. The HSCA is a non-profit organization funded solely through donations and fundraisers, which means we do not receive any federal or state tax dollars. We look forward to your support and would like to thank you for opening your heart to our shelter animals. This year we are also asking each vendor to consider donating an item for our raffle.

If you would like to participate, please complete the application in full. Include a logo/business card and complete description of your exhibit or photos and return it along with your check made payable to: **Humane Society Calumet Area (or HSCA)**. Requirements and booth information will be sent once your application is received. Thank You!
